Summary for 2024:

Monument Fire will retain our major carriers Kaiser Permanente, Delta Dental, and Rocky Mountain Reserve. The vision plan is changing to Delta Dental, using the VSP network. Through Delta we were able to obtain higher benefits for a similar price. The district will pay 95% of the medical cost for employees and their eligible dependents and cover the employee's cost for dental. FSA and HSA elections must be actively renewed each year. We will also contribute towards the retirement plan as outlined in the brochure. Thank you for your service and dedication to Monument Fire. If you have any questions please feel free to reach out to the HR department.

OPEN ENROLLMENT

Open Enrollment for 2024 is from November 6-17 2023 for a January 1st effective date. Employees will make annual elections in our enrollment system called EASE. You should receive an email invitation to enroll. If you do not log in you will be enrolled in the plan closest to your current plan (or the one that replaces it). FSA and HSA elections must be actively renewed each year. Please contact Jennifer Martin in HR if you have any questions.

NEW HIRES

Benefits are effective on your full-time Date of Hire. Full-time is a minimum of 30 hours per week. Coverage ends on the day your employment terminates

MID-YEAR CHANGES

Open Enrollment is the only time you can make changes to your benefit elections unless you experience a 'special qualifying event' during the year. Examples may include getting married or divorced, having a baby or adopting, gaining or losing coverage. In most cases you must notify HR within 30 days of your qualifying event. Late changes will need to wait until the next open enrollment
